Long-term, sustainable development will only be possible when women and men enjoy equal opportunity to rise to their
potential. But today, women and girls continue to face disadvantages in every sector in which we work, while in some cases,
boys are falling behind. For decades, USAID has been leading global efforts to achieve gender equality.

Gender Equality and Women's Empowerment - usaid.gov

Gender empowerment conventionally refers to the empowerment of women, which is a significant topic of discussion in
regards to development and economics nowadays. It also points to approaches regarding other marginalized genders in a
particular political or social context. This approach to empowerment is partly informed by feminism and employed legal
empowerment by building on international ...
